HARBOUR MASTER'S INSTRUCTION #2/2019 SPEARFISHING IN FLYING FISH COVE

In the interests of public safety a spearfishing 'prohibited area' has been declared on the western side of the jetty in Flying Fish Cove.

The prohibited area is all waters up to the high water mark inside a straight line that extends from the flagstaff at Smith Point to the northernmost extremity of the FFC Jetty and thence along the eastern side of the jetty until it reaches the shore at the high water mark.

For the purposes of this Instruction spearfishing includes the use of spear guns, hand spears, pole spears and Hawaiian slings.

It is an offence under the Shipping and Pilotage Act 1967 (WA) (CI) to ignore the instruction of a Harbour Master and penalties may apply.

Persons that ignore this instruction will be reported to the Australian Federal Police.
